Yearbook

When you're down and troubled and you need some love and care and nothing, nothing is going right. Close your eyes and think of me and soon I will be there to brighten up even your darkest night. You just call out my name and you know wherever I am I'll come running to see you again. Winter, Spring, Summer, or Fall all you have to do is call and I'll be there. You've got a friend.

If the sky above you should grow dark and full of clouds and that old north wind begins to blow, keep your head together and call my name out loud. Soon you will hear me knocking at your door. You just call out my name and you know wherever I am I'll come running to see you again. Winter, Spring, Summer, or Fall all you have to do is call and I'll be there. Ain't it good to know that you've got a friend when people can be so cold. They'll hurt you and desert you and take your soul if you let them, oh but don't you let them. You just call out my name and you know wherever I am I'll come running to see you again. Winter, Spring, Summer, or Fall all you have to do is call and I'll be there. You've got a friend.

The Trojans have had another trying season. This team consisting of 11 Seniors, 14 Juniors, and 8 Sophomores, carried us to a 4-5 record. Perhaps not one of our better records, but this team prospered from its mistakes. Coach Yde said, "I feel we had a real fine group of kids. They were very coachable and improved a great deal as the year progressed. If we would have had some speed or an experienced quarterback we might have very easily won the league." To add to these comments assistant coach Crowley said, "Although we had a very good running attack, the lack of an adequate passing game caught up with us after the first few games. We expect to have more speed and a better passing attack next year." Now we can proudly say that the returning football players of next year will lead us to a grand record.

They did it, they really did it! The Freshmen survived the Football Season with a 1-1-3 record. The team came to Turner with very little experience in the game of football, but succeed in ending the season with one win, one tie, and three losses. They earned the joy of winning and the agony of defeat. **Coach Rau said,** "We lack consistency both in offense and in defense. I think there are about half a dozen players who could be of immediate help to the Varsity and others with experience will help it in the future." To end a season proudly we say we hope to see all those Freshmen back next year as Sophomores on the Varsity Team.

"We stressed two goals in 1972" **Coach Turner pointed out.** On a team basis we want to be the hardest working team in the conference. On an individual basis each runner wanted to be the hardest working member on the squad." This year each and every runner was a hard working member of the squad through the eyes of all the supporters of Cross Country. The team brought home the best record Turner has ever had. The team consisted of 1 Senior, 6 Juniors, 1 Sophomore, and 1 Freshman. There are two positions held on the team, the most dedicated runner held by Kevin Daskam and the most valuable runner held by Bob Paulston. Congradulations to the Cross Country team.

Basketball does have its "Ups and Downs." At least this team found that it did. There were times that they had their glory and there were times that they felt defeat. But for a team that consisted of 2 Seniors, 8 Juniors, and 1 Sophomore, they did play a good game of Basketball. As **Mr. Ritchie** said, "Throughout the year we played a good defense. For our size we were a good rebounding team. Plus we played well in most of our games. This team learned from its mistakes and next year it will be back, better and stronger than ever."

THE GREATEST SENIOR ACCOMPLISHMENT

WAY TO GO '73"
IT WAS A LONG
HAUL,
BUT WE FINALLY
MADE IT!

"Squirrels of the
world . . . UNITE!

From;
The Class Of "73"

As has become tradition, we, the Annual Staff, have set aside this page to give credit where credit is due and to thank those who have helped us during the past year.

Thanks goes to:

The **EXISTENCE**, endurance, patience, and unco-ordinated co-ordination of this year's staff.

Sue, for making our office so colorful by leaving her lunch trayset in the office a couple of months.

To **ALL** my family (co-editors).

To Teddy Bear and Staff, for bridging troubled waters with the sharing of typewriter ribbons and finally evacuating the scene entirely.

The **GREAT SENIOR CLASS** of "73"; Your constructive criticism was the most helpful hinderance we could ever have had in laying out that **GREAT SENIOR** section.

To Sir Rico Pellegrenelli, for giving us such a wonderful selection on pictures.

To Uncle Paul, for always being there whenever we didn't need him, and whenever we did . . . ne'er hide nor hair could be found.

To those who supported this book with undying belief . . . and bought it!

To the same people for being so understanding and helpful about showing their receipts again.

To Marko, for devising a cover that in the words of Paul Clarkson Jr. (Uncle Paul), "It was really graphic".

To Nancy, who never showed up. We sympathize with your illnesses"?

To Parkway, for closing the gates on Saturdays and making entry into our Annual Office an impossible feat. You owe me two pairs of jeans.

To all my pictures, for sprouting legs and walking out on me.

And finally to Mike. What can you say to a guy who took on such an unorganized club and **glittered** through as a very "guiding" light. It was loads of fun and was greatly appreciated.

Your Editor,
Mary "73"
